

EASTMAN.

Special Correspondence.

Eastman, I. T., April 11.—The weather has been very cool for the past two or three days, but the frost has been so light that the damage, if any, is very light.

Cotton planting has begun and a large crop is being planted by most of the farmers. We have had plenty of rain and everything bids fair now for a good crop.

W. E. Beard of Ardmore was here today.

John Cox of Lone Grove, Miss. Cora Miller of Marietta and Taylor Ridge and Miss Addie Miller of Marietta visited here Saturday.

Misses Della Hensley and Willie Overstreet of Cheek visited relatives here last night.

Lee and Will Burch visited a sick brother at Woodbine, Texas, last week.

A Continual Strain.

Many men and women are constantly subjected to what they call "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by "continual strain." Trial bottle of August Flower 25 cents; regular size 75 cents. At City Drug Store.

FOSTER.

Special Correspondence.

Foster, I. T., April 11.—This week has been with pleasant weather. The showers of last week were quite beneficial to the growing crops.

Farm work is going on. Cotton is being planted. Corn is not large enough to cultivate.

There was frost Saturday night but no damage was done.

Garden truck is now beginning to come up.

The health of our community is fairly good.

The Good of Medicine.

People insisting that medicine does no good, have one stubborn fact to contend with, that is, the people who do believe are greatly in the majority. We have been so fortunate during the past twenty years as to convince thousands of sufferers with weak, watery blood, who had all the symptoms of a general breaking down of the system, that one medicine at least does good. Nervous and irritable people, weak, fleshless people, pimply, pale or sallow people can have strong steady nerves and solid healthy flesh by the use of Dr. Gunn's Blood and Nerve Tonic. A tablet to take at meal time, it turns the food you eat into rich, red blood, making solid flesh at the rate of 1 to 3 pounds per week. Sold by all druggists for 75c per box or 2 boxes for \$2. This medicine saves doctors' bills and insures health, giving the very best treatment possible. For sale by W. B. Frame, druggist.

Don't Neglect Yourself.

1408 Second Street,
Lawrence, Kan., April 24, 1903.
I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I lost weight, lost my appetite, and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.
His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it.
I found that it relieved me of pain. As my general health improved, my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

WINE OF CARDUI

Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once.

All druggists sell \$1.00 bottles of Wine of Cardui.

Two Signals

DANGER SIGNAL No. 1—Comes from the kidney secretions. The experienced physician knows at once that the kidneys are sick when he examines the urine. You can tell for yourself. Urine that is pale and foamy—that is highly colored, reddish, blood-like—that contains sediment or "brick-dust like" deposit on standing, points to sick kidneys. Infrequent or too frequent urination and all urinary difficulties are danger signals which call for prompt use of Doan's Kidney Pills.

DANGER SIGNAL No. 2—Comes from the back. Backache pains in many forms—signal sick kidneys tell of overworked, congested kidneys; warn you of impending danger. A "bad back" is misery enough of itself, but far worse is in store for those who neglect its warning—nervous conditions—sleepless nights—despondency—failing eyesight—muscular soreness—rheumatic pains and many exhaustive aches. Doan's Kidney Pills cure all ills of Kidneys and Bladder and are endorsed by people you know.

ARDMORE PROOF

G. W. Carlton, retired, says: "For five years I have had attacks of inflammation of the bladder and added to it there was backache. The latter was not as severe as many cases which came under my observation from reading but the too frequent action of the kidney secretions plainly told me that my kidneys were either weakened or overexcited. There is no necessity for going into particulars. Anyone annoyed as I was knows just exactly what a victim endured but he does not know what means to take to check it. I experimented with doctors and used preparations but obtained little, if any, positive relief until I went to the City Drug Store for Doan's Kidney Pills and took a course of the treatment. It brought results unequalled by any other preparation I ever used."
